## A Passionate Commitment to Student Success

At Helios Education Foundation, we believe education opens minds and opens doors. It creates opportunities for success and improves the quality of life for individuals and communities. As a non-profit organization serving Arizona and Florida, the Foundation's vision is to ensure every individual with the desire to attend postsecondary education has the opportunity as well as the personal, financial and academic support they need to succeed. We are committed to being actively engaged in the education arena, investing our knowledge, expertise and resources to enrich lives and improve the education system overall.
